

How You Can Help Us Expand Mobile Entertainment for Algona and the Surrounding Area with a New Mobile Stage to Replace the Rotary ShowMobile

The Algona Rotary Club and the City of Algona are raising funds to help purchase a new state-of-the-art mobile stage. The new mobile stage will provide a band shell like atmosphere for outdoor performances, enhanced acoustics, along with easier setup. The new stage will continue an Algona tradition started in 1972 of providing a unique mobile stage venue to Algona and the surrounding area. The new stage has a cost of approximately \$105,000.00. Help the Algona Rotary keep the tradition alive by supporting this exciting project.
